#### FREE DISTRIBUTION OF WALL MAPS

(Mr. JONES of Missouri asked and was given permission to extend his remarks in the Record at this point.)

Mr. JONES of Missouri. Mr. Speaker, I am hopeful of finding out during the day whether or not the bill, H. R. 8680, making appropriations for the Department of the Interior, contains any hidden items, such as was undoubtedly contained in the bill we passed last year.

While this administration preaches economy, we find that the Secretary of the Interior has authorized the printing of 30,000 wall maps of the United States which he announces are to be given to Members of Congress for free distribution. The newspaper release stating that there will be 40,000 of these maps printed, says that 10,000 will be on sale at the Government Printing Office for \$4 each, indicating that a fair value of the maps which are to be given away by Members of Congress are worth \$120,000, though I imagine if there was any way of computing the value of the personal services going into the production of these maps it would be far more than that.

While I have no way of knowing definitely, I believe I am expressing the views of a large majority of Members of Congress when I say they would prefer

that this free distribution be made some other way than through Members of Congress, if each Member is to be limited to approximately 50 copies. Already, I have received more than that number of requests, and I know there will be probably several hundred requests before the maps are actually available for mailing.

Despite the fact that I have explained in my weekly newsletter that few persons have any practical use for the large 5- by 7-foot map, which is unmounted and printed in two sections which are folded, nevertheless there is always a line forming for anything that is free.

Surprisingly enough, I did receive a request in the mail this morning accompanied by a check for \$4 to be forwarded to the Government Printing Office for 1 of these maps.

I feel that if this administration is to be consistent in its announced intention to support economy measures, all of these maps should be sold at a price which will result in no loss to the Government.

#### MRS. ROSA O. SHANNON

Mr. LECOMPTE. Mr. Speaker, by direction of the Committee on House Administration, I call up House Resolution 490 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

*Resolved*, That there shall be paid out of the contingent fund of the House of Representatives to Mrs. Rosa O. Shannon, widow of Henry C. Shannon, late an employee of the House of Representatives, an amount equal to 6 months' salary at the rate he was receiving at the time of his death, and an additional amount not to exceed \$350 toward defraying the funeral expenses of the said Henry C. Shannon.

The resolution was agreed to, and a motion to reconsider was laid on the table.

#### SPECIAL COMMITTEE TO INVESTIGATE TAX-EXEMPT FOUNDATIONS

Mr. LECOMPTE. Mr. Speaker, by direction of the Committee on House Administration, I call up House Resolution 433 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

*Resolved*, That the further expenses of conducting the studies and investigations authorized by House Resolution 217 incurred by the Special Committee To Investigate Tax-Exempt Foundations, acting as a whole or by subcommittee, not to exceed \$120,000, including expenditures for employment of such experts, special counsel, and such clerical, stenographic, and other assistants shall be paid out of the contingent fund of the House on vouchers authorized by said committee and signed by the chairman of the committee, and approved by the Committee on House Administration.

Sec. 2. The official stenographers to committees may be used at all hearings held in the District of Columbia, if not otherwise engaged.

With the following committee amendment:

Page 1, line 5, strike out the sum and insert "\$65,000."

Mr. LECOMPTE. Mr. Speaker, I assume this is a privileged resolution. I see no need to take a great deal of time on it. It is a resolution which provides additional funds for the investigation authorized by the House of tax-exempt foundations. I might say the committee has already had \$50,000, practically all of which was expended. The committee asked for \$120,000, and the Committee on House Administration saw fit to reduce the amount to \$65,000, as indicated by the committee amendment.

The SPEAKER. The question is on the committee amendment.

The committee amendment was agreed to.

The SPEAKER. The question is on the resolution.

The resolution was agreed to, and a motion to reconsider was laid on the table.

#### GRANTING STATUS OF PERMANENT RESIDENCE TO CERTAIN ALIENS

Mr. GRAHAM. Mr. Speaker, I call up the conference report on the joint resolution (H. J. Res. 238) granting the status of permanent residence to certain aliens, and ask unanimous consent that the statement of the managers on the part of the House be read in lieu of the report.

The Clerk read the title of the joint resolution.

The SPEAKER. Is there objection to the request of the gentleman from Pennsylvania?

There was no objection.

The Clerk read the statement.

(For conference report and statement, see proceedings of the House on March 31, 1954.)

The conference report was agreed to, and a motion to reconsider was laid on the table.

#### PRIVATE CALENDAR

The SPEAKER. This is Private Calendar day. The Clerk will call the first bill on the Private Calendar.

The Clerk called the bill (S. 1432) for the relief of Peter Penovic, Milos Grahovac, and Nikola Maljkovic.

There being no objection, the Clerk read the bill, as follows:

*Be it enacted, etc.*, That, for the purposes of the Immigration and Nationality Act, Peter Penovic, Milos Grahovac, and Nikola Maljkovic shall be held and considered to have been lawfully admitted to the United States for permanent residence as of the date of the enactment of this act upon payment of the required visa fees. Upon the granting of permanent residence to such aliens as provided for in this act, the Secretary of State shall instruct the proper quota-control officer to deduct the required numbers from the appropriate quota or quotas for the first year that such quota or quotas are available.

Mr. GRAHAM. Mr. Speaker, I offer an amendment.

The Clerk read as follows:

Amendment offered by Mr. GRAHAM: Page 1, line 4, after the word "act", strike out the name "Peter Penovic."

The amendment was agreed to.

The bill was ordered to be read a third time, was read the third time, and passed.

# House of Representatives

TUESDAY, APRIL 6, 1954

The House met at 12 o'clock noon.

The Chaplain, Rev. Bernard Braskamp, D. D., offered the following prayer:

Almighty God, we are entering upon this new day with gratitude for the many blessings and bounties of Thy divine providence.

Thou art acquainted with and canst supply all our needs. Wilt Thou teach us so to ask that we may receive and so to seek that we may find every needed blessing.

Grant unto us the spirit of patience and obedience to Thy holy will. In our times of perplexity and uncertainty, be Thou our guide and counselor, and in our times of despair, be Thou our refuge and strength.

Sustain us with a confident and hopeful frame of mind as we labor to hasten the dawning of that day when nations shall dwell together under the sovereignty of the Prince of Peace.

Hear us in His name. Amen.
